The Unemployment Action Center is a student-run nonprofit organization that trains law students to advocate for unemployment insurance claimants at administrative hearings. The UAC not only provides much needed legal assistance for this underserved population, but also allows law students a unique opportunity to hone their skills and develop their knowledge of employment law. Funds raised at the banquet help cover the administrative costs of representing hundreds of unemployed workers.

We are proud to support the UAC and hope that you will join us on February 15.
